

Flora Cooking with Schools

Cooking with Schools is an exciting new cooking project from Flora, with the aim of putting cooking and healthy eating at the heart of the classroom. The project allows primary schools in the United Kingdom and Republic of Ireland to collect tokens from special packs of Flora and exchange them for FREE cooking equipment!

How Cooking with Schools works

Tokens can be found on the coverleaf (as shown) of special packs of Flora in stores from the beginning of January until the end of March 2010 (while stocks last).

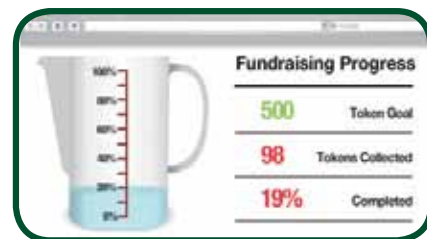

TOKEN VALUE

Pack	No. of tokens	Token value
Flora small pack (250g)	1 token	20p/30c
Flora medium pack (500g)	2 tokens	40p/60c
Flora large pack (1kg)	5 tokens	£1/€1.50

It's easy to register your tokens for your school

Simply go online to www.cookingwithschools.com, find your school, register the token code against your school, and the value will go straight into the school's account.

An amazing range of FREE cooking equipment

It is so easy to collect tokens for Flora Cooking with Schools. Your school can benefit from the scheme with only a handful of tokens. For example, registering just one large pack of Flora* would give your school enough tokens to be able to buy either a spatula, a bread loaf tin, or a wooden spoon!

There is no maximum to the amount of equipment your school can order!** To see a full catalogue of equipment visit www.cookingwithschools.com

*There is a minimum value of £10 /€15 for orders of cooking equipment. The promoter reserves the right to introduce new items or remove existing items during the promotion. **Depending on how many tokens collected. For full terms and conditions, visit www.cookingwithschools.com
