

Dear Parent / Guardian

Flora Cooking with Schools 2010 is nearly over – so don't forget to register your tokens today!

Earlier in the year, we wrote to you to tell you that we're collecting for FREE cooking equipment through the Cooking with Schools campaign. Since we registered our school on the new website, everybody has been working really hard to make our collection a success.

Token registrations for Flora Cooking with Schools 2010 close on 5th May 2010, and we need everybody to put that last bit of energy into the collection so that we can achieve our goal.

Help us reach our target

If you go to the new website www.cookingwithschools.com and look up our school, you can look at our school's Target Measure which shows how many tokens we have collected and how much further we have to go before we achieve our target.

How it works – a recap

Tokens can be found on the coverleaf of special packs of Flora in stores until the end of March 2010 (while stocks last). Once you have purchased your tub of Flora, simply go online to www.cookingwithschools.com, find our school, register the token code against our school, and the value will go straight into our school's account.

What can we buy?

If you would like to see the kind of equipment your donated tokens will help us to buy, see the catalogue of equipment at www.cookingwithschools.com

Spread the word

Remember, if friends, neighbours, work colleagues and family help too, we are even more likely to achieve our target before Flora Cooking with Schools closes this year.

Thank you for taking the time to read this. Any support you can give us will help us to put healthy eating at the heart of the classroom.

Yours faithfully,

Headteacher/Principal
on behalf of the Flora Team
