

# What am I most likely to do?

There are lots of cooking utensils in the kitchen and we use different ones for different jobs. Can you match the kitchen utensils below to what they are most likely to do? How many can you get right?

## Kitchen utensil

Use a sieve

Use a spreading knife

Use scales

Use oven gloves

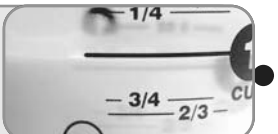

Use a peeler

Use a wooden spoon

Use a measuring jug

Use a chopping board

Use a colander

Use measuring spoons

## What am I most likely to do?
